Subject: Renewal of Undergraduate Seats (MBBS) of K.D. Medical College Hospital & Research Centre, Mathura, for the year AY- 2025-26 - regarding.

Sir/Madam,

I am directed to refer to the Public Notice issued by UGMEB vide dated 01.11.2024 uploaded on the NMC website on 06.11.2024, directing all medical colleges with valid Letters of Permission (LoP) to upload the details/data of their respective institutions on the NMC portal for the annual declaration, as required under the NMC Act, 2019 and various regulations issued by NMC from time to time, for the grant of renewal of MBBS seats for the academic year 2025-26.

2. Based on the details furnished by your college, the experts assessed the submissions, and accordingly, a Notice dated **13.05.2025** was issued highlighting the following deficiencies observed during the assessment:

i. Fourteen (14) out of Nineteen (19) Departments are deficient in faculty/Resident/tutor as per AEBAS record data
ii. Four (04) Department out of Twenty (19) Departments are deficient in faculty/residents as per self declaration.
iii. Clinical Investigations - Clinical Pathology is Inadequate.
iv. Seats increased from 150 to 250, therefore family adoption is little short for 250 seats. Presently it is 742 families.

3. Subsequently, the compliance report submitted by your

REGISTRAR

REGISTRAR

Institution was also evaluated by the Assessors; however, amongst other deficiencies, following key deficiencies were again highlighted w.r.t. your College/Institution:

i. Some departments are still deficient in faculty/Resident/tutor as per AEBAS record data. However your explanation has been accepted therefore, the college may adhere to the deficiencies found in the AEBAS.

Further, it has been observed that during the renewal process for the previous year AY 2024-25, penalty was imposed and conditional renewal was granted in view of the substantive nature of deficiencies in your College.

4. The Competent Authority has reviewed the Annual Declaration Report (ADR) submitted by your college/institutions and also the deficiencies pointed out by the experts. The compliance report submitted by the college has not been found to be convincing and satisfactory.

5. However, UGMEB has taken a lenient view and **decided to grant conditional renewal of 250 UG (MBBS) seats** for the academic year 2025-26, **subject to rectification of deficiencies within four months from the issuance of this letter.**

6. A further review will be conducted after four months, and if the deficiencies are found to persist at that time, stringent action will be initiated as mandated under Chapter III, Clause 8 of the Maintenance of Standards of Medical Education Regulations (MSMER), 2023, and any other applicable rules or regulations.

7. If the College/Institution is not satisfied and aggrieved with the decision of the Board, you may prefer an appeal before the Commission under Section 9, Chapter IV of the Maintenance of Standards of Medical Education Regulations, 2023, (MSMER, 2023) within Sixty (60) days of the issue of this letter.

8. This issue with the approval of the Competent Authority

AUDITOR'S REPORT

To the Board of Trustees of

M/s K.D. UNIVERSITY

(a unit of Rajiv Memorial Academic Welfare Society, Mathura)

Report on the Audit of the Financial Statements

Opinion
We have audited the accompanying financial statements of M/s K.D. UNIVERSITY (a unit of rajiv memorial academic welfare society, mathura), having its registered office at Mathura, which comprise the Balance Sheet as at March 31, 2026, the related Statement of Income and Expenditure for the year that ended, and summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements together with the notes thereon and attached thereto, give a true and fair view in conformity with the accounting standards issued by the Institute of Chartered Accountants of India, of the state of affairs of the Trust as at March 31, 2026 and its surplus for the year ended on that date.

Basis for Opinion
We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAS) issued by the ICAI. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Trust in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the applicable laws and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Board of Trustees for the Financial Statements
The Board of Trustees is responsible for the preparation of these financial statements that give a true and fair view of the financial position & financial performance of the Trust in accordance with the accounting principles generally accepted in India, including the Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI). This responsibility also includes maintenance of adequate accounting records, for safeguarding of the assets of the Trust and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementing and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Trustees is responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concerned and using the going concern basis of accounting unless management either intends to liquidate the Trust or to cease operations or has no realistic alternative but to do so.

The board of Trustees is also responsible for overseeing the Trust's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAS will always detect a material misstatement when exists. Misstatements can arise from fraud or error and are considered material individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal financial control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of the Board of Trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust to cease to continue as a going concern.

- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the annual financial statements that, individually or in the aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i)planning the scope of our audit work and evaluating the results of our work, and (ii) evaluating the effect of any identified misstatements in the financial statements.

We communicate with the Board of Trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Trustees with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

3. A comparative study on the efficacy of fractional carbon dioxide laser combined with topical 1% luliconazole lotion versus oral itraconazole combined with topical 1% luliconazole lotion in the treatment of onychomycosis. (Ongoing publication in Indian journal of clinical and experimental dermatology- acceptance received)

4. A comparative study on the efficacy of tofacitinib versus methotrexate in moderate to severe plaque psoriasis. (Ongoing publication in Indian journal of clinical and experimental dermatology- under peer review)

Thanking you.
